Mission (NFSM) and the Rashtriya Krishi Vikas Yojana (RKVY) with a view to rejuvenate agriculture and improve farm incomes, ft is envisaged that these initiatives along with better implementation of some ongoing schemes, covering irrigation, agriculture credit, insurance, marketing and other inputs, will; help in achieving a four per cent annual growth in agricultural sector during the Eleventh Five Year Plan.

The NFSM, a Centrally Sponsored Scheme, with an Eleventh Plan outlay of Rs. 4,883 crore, aims at increasing foodgrains production of rice, wheat and pulses through area expansion and productivity enhancement; restoring soil fertility and productivity; creating employment opportunities; and enhancing farm level economy to restore confidence of farmers in the targeted districts of the country.

The RKVY, with an allocation of Rs. 25,000 crore for; the Eleventh Five Year Plan, aims at incentivising the State Governments to increase public investment in agriculture and allied sectors and support focused interventions to reduce the yield gaps in important crops.

In the proposal for the Union Budget 2008-09, the Government has announced a Scheme of debt waiver and debt relief for farmers which would cover all agricultural loans disbursed by scheduled commercial banks, regional rural banks and cooperative credit institutions up to March 31,2007 and overdue as on december 31, 2007. The Government estimates that about 3 crore small and marginal farmers and about 1 crore other farmers will benefit from this scheme. The total value of proposed debt waiver and debt relief is estimated at around Rs. 60,314 crore.

Disparity in income

fl926. SHRI JANESHWAR MISHRA:
SHRI BRIJ BHUSHAN TIWARI:

Will the Minister of FINANCE be pleased to state:

whether it is **a** fact that crores of people are subsisting on a measly twelve rupees and nine rupees daily, while daily income of people outside Government is nearly one crore;

if so, whether Government is making any definitive measures to bridge this huge difference and making any effective plan to raise the standard of living of the poor to enable them to fulfil their basic needs; and

if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PAWAN KUMAR BANSAL): (a) As per the Report No. 508, "Level and Pattern of Consumer Expenditure, 2004-05" of NSS 61st Round (July 2004-June, 2005) brought out by the National Sample Survey Organisation (NSSO), Ministry of Statistics and Programme Implementation, Government of India, the per capita consumption expenditure of 29.13 per cent of the rural population and 7.13 per cent of the urban population in the country is less than Rs. U per day. In terms of number, this constitutes 25 crores persons in 2004-05. Further the pw capita consumption expenditure of 9.9 per cent of rural population and 4 per cent of urban population in the country is less than Rs. 9 per day in 2004-05. In terms of number, this constitutes 9 crore persons in 2004-05. At the same time, the Per Capita income (at 1299-2000 prices) is Rs. 29,786 in 2007-08.
